STICHTING SRI GANAPATHY SACHCHIDANANDA BENELUX

January 2019

Jaya Guru Datta

We wish you a blessed New Year 2019, with much joy and strength for the challenging journey of our human existence. We are very happy to send you the invitation to the fourth Mauna Seminar and the concert with Sri Swamiji in July 2019. A week we can dedicate to our inner spiritual journey and receive new insights, trust and hope.

MAUNA and NADA with Sri Swamiji in Davos, 23 – 28 July 2019

We are looking forward to being with Sri Swamiji in the Swiss mountains, for 3 days of silence in His Presence at the Morosani Schweizerhof Hotel, to the 'Mauna Dhyana Raga Sagara' concert in the Congress Center (Kongresszentrum), as well as the wonderful Homa and Puja celebration on Sunday. Please find the program and registration information in the enclosed invitation.

Call for Help

In September 2017, Sri Swamiji requested the DYC in the three countries – Germany, Benelux and Switzerland – to jointly organize a Mauna Seminar. We are very happy to be able to work together to organize this event. From experience we know that this entails a great amount of effort. Since we are all doing this work voluntarily, i.e. in addition to our other daily duties, we need many people to share the work load. Please do not hesitate to let us know if you would like to work with us. Even though the seminar will be held in Switzerland, it is easy to take part in the preparations, while living in another country. This has been done very successfully in previous years.

Some people have already signed up, following our email newsletter asking for help. However, we still urgently need support in the following areas:

- Responsibility for, and helping with the Bala Datta Children's Program
- Drivers and support team for the transport of people and materials
- Setting up the seminar room and concert location, helping with the decoration team
- Responsibility for the stage, concert hall and Homa area
- Helping with the Puja counter, flowers and the bookstore
- Responsibility for and support with the assistant team on location
- Preparation and presentation of the Datta Peetham social projects
- Coordination of the set up and dismantling, as well as support for this work

If you are interested and would like more information, please contact us by email at davos@dyc.ch, or call Shabari: +41 44 371 70 56

Donations

Financial support is the second important requirement for this event to take place. We have tried very hard to keep the cost of the seminar as low as possible, so that many people can participate. This means, however, that we are dependent on donations to finance the event, and be able to make a donation to the Datta Peetham social projects.

In addition to general donations, there is also the possibility to support the whole event with Sri Swamiji with any of the three donation packages as follows:

DYC SWITZERLAND - DYC GERMANY e.V. - SGS BENELUX

‘**Emerald Donation**’ for CHF 540 / €480 (includes 1 sponsor ticket for the concert),

‘**Ruby Donation**’ for CHF 1008 / €900 (includes 2 sponsor tickets for the concert),

‘**Sapphire Donation**’ for CHF 2’700 / €2’300 (includes 2 sponsor tickets to the concert and a surprise).

The front row seats in the concert are numbered (please note in your registration form for the concert if you are making one of the above donations, so we can make the appropriate reservation).

We gladly receive all donations regardless of the amount. The sum of the individual parts makes up the whole, as Sri Swamiji also repeatedly says.

We are expecting the main expenditures to be as follows (estimates in Swiss Francs)

- Flight tickets: about 27’000
- Visa fees and health insurance costs: 2’200
- Concert hall and seminar room rent: 11’500
- Technical support and decoration for concert and seminar: 2’500
- Sound for concert and other events: 4’000
- Printing and posting of invitations, advertising such as flyers, concert posters: 4’500
- Accommodation for Sri Swamiji and his entourage for 6 nights: 9’500
- Prasadam on Sunday: 8’000
- Transport costs: 4’500
- Bank fees, other expenses: 2’000

To make a donation please make the payment to one of the following accounts, using the name on your registration. The **purpose of payment must be given as:** ‘Donation SGS 2019’ (for normal donations) and: ‘Emerald Donation 2019’, ‘Ruby Donation 2019’, ‘Sapphire Donation 2019’. These donations are only tax deductible in Switzerland.
